Professional Summary

Creative Content Creator & Visual Designer with hands-on freelance experience serving UAE-based businesses in the beauty and travel industries. Skilled in mobile photography and videography, creative concept development, Reel production, visual design, and AI-assisted content creation. Experienced in managing creative projects from ideation and shooting to visual execution and client delivery. Produced 30+ Reels and 500+ visual assets, with individual videos reaching 50K views.

Professional Experience

Freelance Content Creator & Visual Designer 05/2026 – Present

UAE-Based Clients Remote

Linda Beauty Salon — Freelance Client

- Planned and filmed approximately 30 Reels, developing creative ideas, Hooks, shot lists, and visual direction.
- Conducted approximately 4 on-site shooting sessions per month, managing mobile photography, videography, lighting, composition, and camera angles.
- Directed staff and on-camera talent to deliver engaging visual content.
- Created 250+ social media designs within 3 months, including promotional posts, Stories, and advertising creatives.
- The account gained approximately 250 new Instagram followers within 3 months, with Reels reaching 10K+ views.
- Managed direct client communication, presented creative proposals, discussed revisions, and coordinated content delivery.

Mazaya Travel & Tourism — Freelance Client

- Designed 250+ visual assets, including promotional posters, Stories, covers, advertising creatives, and campaign visuals.
- Developed creative concepts for travel offers, tourism services, and visa promotions.
- Conceptualized and filmed Reels that achieved approximately 30K–50K views.
- Developed a distinctive promotional concept featuring a pet as the campaign's visual centrepiece, generating strong audience engagement.
- Collaborated directly with the client on creative proposals, feedback, revisions, and final visual delivery.
- Utilized Photoshop and AI-powered tools for visual creation, image generation, enhancement, and design customization.
