PROFESSIONAL SUMMARY

IT & Technical Support Specialist with hands-on experience in computer hardware and software maintenance, diagnostics, troubleshooting, and daily IT operations. My interest in technology began at the age of 11 with my first computer course and has developed into a long-term professional passion.

Experienced in PC assembly, Windows installation, technical support, printer and biometric attendance systems, and basic network configuration, with additional experience in Flutter application development and web deployment.

A reliable, adaptable, and collaborative professional who enjoys solving technical problems, supporting colleagues and users, and continuously improving technical skills. Committed to delivering practical solutions and contributing positively to the workplace.

PROFESSIONAL EXPERIENCE

Pearl Plus & RZR 11/2025 – Present

IT & Technical Support Specialist Dubai, UAE

- Provide technical support for daily hardware, software, and system-related issues.
- Diagnose and troubleshoot computer and peripheral problems.
